

Paraprofessional Trainings: Deepening Understanding of Algebra Instruction

October 2009—March 2010 (4 Separate Sessions to Choose From!)
Each session is from 1—3 p.m.

**Presenter: Chris Dell,
Math & Technology
Coordinator**

Four training opportunities will be offered for paraprofessionals and/or after-school staff to come and receive training in a variety of areas. Each session will be independent of the other sessions that are offered so that paraprofessionals can come to any one or a variety of the sessions offered that best meet their needs.
