

§ 15497.5. Local Control and Accountability Plan and Annual Update Template.

Introduction:

LEA: Cottonwood Union School District

Contact: David Alexander, Supt., dalexander@cwusd.com 530-347-3165

LCAP Year: 2016-2017

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

Implementation of State Standards: implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)

Course access: pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)

Expelled pupils (for county offices of education only): coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)

Foster youth (for county offices of education only): coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Involvement Process	Impact on LCAP
<p>CWUSD provided stakeholders multiple opportunities to participate and be consulted on the revision of the 2016-17 LCAP. Through a series of informational, input gathering and strategic planning meetings throughout the 2015-16 school year CWUSD was successful involving our community. During these meetings we asked our participants to share ideas about what our school district was doing successfully, sought areas of improvement and specific action steps the district needed to consider to move forward.</p> <p>June 23, 2015: Board Meeting to adopt LCAP for the 2015-16 school year. January 19, 2016: Board Mid-Year Study Session. Facilitated Community LCAP Advisory January 25, 2016: Parent Advisory Meeting at West Cottonwood Junior High February 1, 2016: English Learners (E.L.) The intent of the meetings were to review data, gather input, discuss prior efforts by the district and bring preliminary goals to review and discuss. The LCAP involvement process for CWUSD confirmed our district’s strengths and areas of improvement which led to improved and focused goals and actions required for the 2016-17 school year. The first step in the revision of the LCAP was to engage our stakeholders in the understanding of the LCAP process and the current contents of the 2015-16 LCAP.</p> <p>Advisory meetings throughout the year of parents, staff, students and community provided stakeholders the opportunity to share and suggest needed services, provided progress toward specific action and services.</p> <p>Each meeting lead to other strategic planning meetings providing a collaborative setting to develop themes, create possible actions, prioritize actions and services and possible strategies and actions to reach LCAP goals.</p> <p>The final steps for the 2015-16 school year was to provided opportunity for public input on 2016-17 LCAP before approval and final Board approval of 2016-17 LCAP.</p> <p>During these stakeholder meetings we were successful to create an even brighter future for our school district.</p>

Annual Update:

CWUSD sought input at same meetings identified above and were used to review the 2015/16 LCAP, as well as plans for the next three years. The various stakeholder groups throughout the 2015-16 school year included board members, staff, parents, E.L. Advisory group, Site Councils, District Leadership (superintendent, teachers, classified employees, confidential employees, management, and heads of departments), Foster Parent Advisory group, Student Advisory groups, teachers, Shasta County Office of Education, and community members input was used to create the 2016-17 LCAP. CWUSD is actively seeking to engage all stakeholders in the LCAP and guided by the vision and direction of creating a more collaborative culture for the benefit of all students.

Throughout the process, presentations that explained the details of the state's goals and district alignment through LCAP goals have guided the conversations. A thorough examination based on needs and input has led to a recognition to build capacity in our system, focus on essential components while creating additional student opportunities and create a culture of high expectations in a collaborative culture has provided a starting point for a new future for our district. A commitment to the expansion of current services for all students is recognized and is an integral part of the LCAP actions and services.

Annual update hearing at CWUSD Board Meeting: June 21, 2016

Annual LCAP Board Approval: June 28, 2016

Annual Update:

CWUSD sought input from various stakeholder groups throughout the 2015-16 school year. The LCAP goals have been a focus for the various district meetings agendas throughout the school year as well. This year one of the primary focus throughout the process has been to seek consultation from stakeholders groups in preparing the LCAP annual update. Specifically, we sought out what the strengths our district and areas of improvement. In addition, our goal was to establish baseline data, with an emphasis on building academic measures, to utilize for future analysis. This process reconfirmed the specific areas of improvement for our school district. The themes: 1. Increase Academic Proficiency and Support Learning, 2. Increase Effective Communication/ Connectedness and Promote a Positive Culture/Climate and 3. Provide a Safe Environment (facilities). The engagement process has shaped the LCAP by assisting our district focus goals and services to best meet the needs of all our students.

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA's goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate "all" for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate "all" for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections

52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Actions/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA’s budget?

District Metrics:
 Students in grades 1-3 will have a summer learning opportunity. Students will have access to school library in summer. All students in grades K-8 will be provided adequate instructional time in ELA and math for basic core instructional programs as well as additional instructional time for strategic intervention support. Teachers are provided instructional assistance and support; (i.e., trained coaches, content experts, and specialist). Schools use ongoing assessment and monitoring system that provides timely data which in turn is used to inform teachers and principals about student placement, diagnosis, progress and effectiveness of program. District supports one hour structured collaboration meeting twice a month in order for teachers to analyze, discuss and utilize the results of student process in the instructional program as well as the school/district assessments of student progress. *District/Schools will explore and develop opportunities for students including programs such as Visual and Performing Arts (VAPA), industrial arts, etc...*

LCAP Year 2: 2017-18

Expected Annual Measurable Outcomes:

Required Metrics for State Priorities:

- 1. Basic Services: Degree to which teachers are appropriately assigned and credentialed in subject area: 100% of Teachers Appropriately Credentialed, 100% of Teachers Highly Qualified in subjects taught
- 1. Basic Services: Degree to which students have sufficient access to standards-aligned instructional materials: 100% of students will have access to CCSS Math aligned instructional materials.
- 2. Implementation of state standards: Implementation of content and performance standards for all students, including EL: 100% of teachers trained in State Standards ELA, Math and NGSS.
- 2. Implementation of state standards: Programs and Services enable ELs to access core and ELD standards
- 4. Students will increase one performance level on CELDT, English Learner reclassification rates will improve by 10%
- 4. Pupil Achievement: Statewide assessments: Students will show annual improvement on SBAC assessment (ELA and Math) once baseline is established Students will increase in CST Science grade 5 by 5%
Students will increase in CST Science grade 8 by 2%
- 4. Pupil Achievement: Academic Performance Index: API Scores suspended.
- 5. Pupil Engagement: Middle School dropout rate: will decrease to 0
- 8. Other Pupil Outcomes Students will have improved literacy. Students will show improvement on Local Measures – Reading Assessments and DIBELS 2014-15 benchmark + 5% gain
- 8. Other Pupil Outcomes: Reach Higher County-wide K-2 Math and K-3 Reading assessments
Because Cottonwood Union School District is a K-8 district, the following state required metric do not apply: A-G, AP Pass Rate, EAP, High School Dropout rate, and High School Graduation Rate.

District Metrics:

Students in grades 1-3 will have a summer learning opportunity. Students will have access to school library in summer. All students in grades K-8 will be provided adequate instructional time in ELA and math for basic core instructional programs as well as additional instructional time for strategic intervention support. Teachers are provided instructional assistance and support; (i.e., trained coaches, content experts, and specialist). Schools use ongoing assessment and monitoring system that provides timely data which in turn is used to inform teachers and principals about student placement, diagnosis, progress and effectiveness of program. District supports one hour structured collaboration meeting twice a month in order for teachers to analyze, discuss and utilize the results of student process in the instructional program as well as the school/district assessments of student progress. *District/Schools will explore and develop opportunities for students including programs such as Visual and Performing Arts (VAPA), industrial arts, etc...*

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

8. Other Pupil Outcomes: Reach Higher County-wide K-2 Math and K-3 Reading assessments

Because Cottonwood Union School District is a K-8 district, the following state required metric do not apply: A-G, AP Pass Rate, EAP, High School Dropout rate, and High School Graduation Rate.

District Metrics:

Students in grades 1-3 will have a summer learning opportunity. Students will have access to school library in summer.

All students in grades K-8 will be provided adequate instructional time in ELA and math for basic core instructional programs as well

API: n/a

Middle School dropout rate remained the same at 0.

District offered a variety of electives at West. Music program at North was extended to include K through 5th

The percent of students increase in the following grades 1st +10%, 2nd +15 % and 3rd +29%.

Reach Higher County-wide K-2 Math and K-3 Reading assessments will be examined to support early intervention for students when data becomes available.

District in partnership with the YMCA has created a summer school program including academic program and access to our libraries.

Both schools have increased core instructional time in ELA and math as well as additional instructional time for strategic support/intervention for all students.

<p>What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?</p>	<p>The most effective practices based on analyzing our system, observation, feedback and lack of data from prior years, was to create a continuous school improvement model with clear direction from strategic planning, effective school research and essential school programs components. One of the crucial practices was to establish baseline data which helped us understand our students' progress.</p> <p>This year provided our school district an opportunity to implement the clearly desired direction for a continuous school improvement model. Our planning for the immediate future was geared toward building understanding and the organizational capacity to support and engage in the work which lies ahead. This changed the focus and specific planned actions/services from last year.</p> <p>The goal for CWUSD is to ensure a coherent instructional program and support learning to improved student achievement. Utilizing the Essential Program Components offered by the California Department of Education (CDE) as a tool associated with improved student learning for Program Improvement Schools/Districts will greatly ensure success. The major systems in this program to support our students' learning is as follows: Instructional Program, Instructional Time, Lesson Pacing Guide, and Professional Development for School Administrators, Credentialed Teachers and Professional Development Opportunity, Student Achievement Monitoring System, Collaboration by grade level or program level for teachers and Fiscal Support. As we begin our journey to establish these systems there are specific actions that will assist toward our goals. By supporting these specific elements will greatly increase the likelihood to increase student achievement. The following changes will occur to assist in this system shift. 1. Ensure all teachers, including new hires are trained in the locally-adopted, standards-aligned basic core instructional programs in Reading/Language Arts (RLA)/English language Development (ELD) and math as well as intervention programs. As an essential part of this effort we will develop an academic Response to Intervention (Rtl) model to ensure all students are met. 2. Ensure we build our school bell schedules to provide adequate instructional time for core, strategic and intensive interventions. 3. Begin to build pacing guides for ELA and math., 4. Provide professional development for school administrators and teachers in the curriculum and instructional strategies associated with the new state standards, Provide instructional assistance and support for teachers through Curriculum/Instructional/ Intervention Specialists, 5. Provide a student achievement monitoring system for ELA and</p>

math., 6. Support twice a month collaboration with the purpose to guide student placement, instructional planning and delivery and progress monitoring, and 7. Provide fiscal support aligned to implementation of these areas.

Additional support systems and programs to support learning will include be the continued additional instructional assistants to ensure interventions for all supports student achievement, reducing class sizes, upgrading technology, continue developing our partnership with the YMCA for our additional preschool option (This is addition to our state preschool), and parent education programs.

All programs are designed to support low income, English learners and foster youth. Additional plans are currently being developed to ensure these needs are being met.

All efforts will be monitored for results and adjusted as needed.

The site councils met according to the required amount of meetings, were provided basic training for site councils and the SPSA. It is expected the site councils will approve their SPSA with specific site goals that support LCAP goals and develop school site safety plans in the Fall 2016.</p> <p>The degree to which to quantify and qualify parental involvement is challenging. Conversations regarding specific methods are ongoing.</p>

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?	<p>The most effective practices identified during this last school year was the opportunity for parents to discuss their students' needs (reestablishment of site council meetings and E.L. parent advisory meetings) and a need to continue to build a positive culture and capacity to support communication in our district.</p> <p>During the 2015-16 LCAP update process, the stakeholders identified the need to restore the positive culture so valued over the last two decades; however, lost in some conflicts over the last ten years. In order to establish a positive culture and increase communication/connectedness our community has identified a need to increase open communication, promote positive relationships, and explore and develop electives for students and develop a district-wide sunshine community to address celebrating success and connecting with each other and the community.</p> <p>A need for increased effective communication, especially with EL and Foster Youth parents, remains a need therefore as a result of this input, a Parent Liaison for EL and Foster Youth position is being established for the upcoming school year.</p>		

In an effort to continue our effort to connect to our students, the other half of teachers, not trained in Capturing Kids Hearts at West will be attending the training this summer.

In addition, a behavior Response to Intervention (RtI) model for behavior will be developed to address the needs of all students as well as clearly defining discipline plans at each site. Updating site safety plans requires each site to develop a plan to ensure common language exists for a School-wide Positive Behavior System (i.e. BEST) and social skills curriculum (i.e. Second Steps).

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?	<p>The most effective practices included creating a long-range facilities plan (resulting in a clear direction to restore and maintain our sites).</p> <p>District-wide facilities repair and restoration are needed as identified in the LCAP revision process. During the 2014-15 school year in preparation of the LCAP revision we developed a master facilities repair/restoration plan which identifies the specific needs of each of our sites. In addition, we prioritized the most immediate needs based on the following agreed upon criteria: safety, functionality, repair now to reduce risks of costing more in the future, and curb appeal. Each facility has an extensive list of needs which led to developing 3 to 5 year plans. The facility/grounds</p>		

team will meet twice a year to adjust the plans according to the criteria and immediate needs.

In order to continue a safe environment climate for students, we move this goal into goal number 2 for the 2015/16 LCAP revision. As each school develops their Single Plan for Student Achievement and school safety plans we will include the continuation of training in Capturing Kids Hearts as well as developing a school-wide positive behavior information system.

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds	\$ 660,083
<p>Based on preliminary Local Control Funding Formula (LCFF) calculations using P2 ADA for 2015-16, the district estimated to receive Supplemental Grant of \$660,083. The funds will be used to support instruction for all low income, English learner pupils and Foster youth, in a district-wide program that supports all learners.</p> <p>It is our belief that the most effective way to provide opportunities to these pupils is through these goals: Goal 1: Increase Academic Proficiency & Support Student Learning Goal 2: Increase Effective Communication /Connectedness and Promote a Positive Culture/Climate Goal 3: Provide Safe and Well-Maintained Facilities</p> <p>Cottonwood Union School District will specifically expend supplemental and concentration funds as follows:</p> <p>Goal 1 - Increase Academic Proficiency & Support Student Learning: Intervention for All: Continue to support additional resource teacher support time to 1.25 FTE (\$109,634 targeted) Continue to support small group support. Provide additional staff such as Instructional Assistants to allow teachers to work with small groups. (\$259,558 districtwide) Continue to support kindergarten and first grade instructional Assistant support (\$45,437 districtwide) Collaboration: Support continuous school improvement summer training/collaboration. (\$12,502 targeted) Promote Reading/Early Literacy: Provide librarians at both sites (\$97,899 districtwide)</p>	

Support English Language Development

Provide EL parent/student support liaison (\$39,443 targeted)

Beyond School Day Intervention

Provide intervention (afterschool and summer school programs) (\$13,000 targeted)

Goal 2: Increase Effective Communication/Connectedness and Promote a Positive Culture/Climate

Provide Electives

Continue to support electives in VAPA, foreign language, Industrial Arts, etc... (\$35,000 districtwide)

Transportation

Provide Home to school transportation (\$42,702) (Districtwide)

Cottonwood Union School District has targeted these actions principally directed to the target pupils; however, all students benefit from ensuring a system of Interventions for All which is steep in Effective School Research and the Essential Program Components.

Cottonwood Union School District will provide an instructional program consistent with the Effective Schools Research and the Essential Program Components including standards aligned basic core instructional programs/materials in Reading Language Arts (RLA & ELD) and math. In addition, CWUSD will provide intervention programs in ELA and math, differentiated to meet the specific learning needs of this student population. Professional development opportunities for teachers/staff and appropriate instructional resources (i.e. books, supplies, technology) will be provided to students and teachers. Ongoing instructional assistance and support for teachers will be offered through curriculum/instruction/intervention specialists. CWUSD will develop an effective student achievement monitoring system as well as regularly scheduled grade level/program level for teachers. In addition, these funds will help support a district EL Coordinator and Foster Youth Coordinator.

We are further developing summer programs and extending preschool opportunities to give younger students a jump start for the new school year and provide additional early education support. We are redesigning our RTI program District wide principally directed for LI, Foster Youth and ELD students. The reasoning behind redesigning this program is to encompass more students than we currently reach as well as to ensure that ELD students spend 30 minutes of each day in a program designed to meet their needs. Finally, to communicate with parents of student's district wide through the use of technology and by organizing parent activities both during the day and in the evening to assist parents in developing strategies to assist their student. Parent programs will be designed specifically for ELD parents where appropriate. We have heard from families that want to assist in their child's education but that there are barriers to that occurring. We believe that this will begin to reduce the barriers that inhibit parent involvement. Additionally, programs will be developed to assist parents and community members to become volunteers at the school sites in a variety of ways depending on the strengths of the volunteer. Our plan to provide services to low income, foster youth, and English learner pupils students through a district-wide spending plan is developed based on a continuous school

improvement plan. These actions and services are principally directed to the targeted pupils in need of these effective research based action and services. In that research, we believe a blended service model environment is proven and demonstrated by local models to be a more effective structure and learning environment than isolated or segregated target programs.

B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

10.68	%
-------	---

Based on preliminary Local Control Funding Formula (LCFF) calculations using P-2 ADA for 2015-16, estimated supplemental grant in following years show that the Minimum Proportionality Percentage (MPP) for the district in 2016-17, 2017-18 and 2018-19, are fairly consistent at 10.68%, 10.91% and 11.26%, respectively.

The district plans to spend \$660,083 to provide services described above. These services will be provided districtwide because of the high concentration of unduplicated students. While all students will benefit, the strategies were developed to principally focus on providing improved services for the unduplicated students. Out of the total LCFF dollars of \$7,167,144 this constitutes 9.2% of our funding and is an increase of \$114,130 over prior year expenses equating to a 20.9% increase in additional services provided.

With these funds we will continue to improve and increase our intervention and support systems as described above to target pupils.

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) "Chronic absenteeism rate" shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where "chronic absentee" means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) "Middle School dropout rate" shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) "High school dropout rate" shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) "High school graduation rate" shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).
