

PREFACE TO DISTRICTS AND COUNTY OFFICES:

Chronic Illness Verification Form (CIVF) Information

The Chronic Illness Form allows parents to excuse absences due to a specific medical condition with the same authority as a medical professional. Below are guidelines for completing the form correctly to establish and maintain this authorization.

- 1) [Enter school district here] does not accept any CIVF that does not have the expected frequency of episodes, length of absence, diagnosis, appropriate symptoms listed, Physician's or Medical Group letterhead/business card attached and appropriate signature(s). Please return the form to parent for completion.
- 2) The school site may fax the CIVF back to the Physician's office to verify the document's authenticity. An administrator or their designee must refuse acceptance of any CIVF found to be fraudulent.
- 3) Schools will only code absences V when the parent provides **written** verification listing one or more reasons specified on the form under "Symptom(s)". Phone calls are not acceptable and should be coded with E's unless the 10 days are exhausted, then X's.
- 4) Please monitor the expected frequency and length of episode for absences excused for reasonable compliance with the Physician's guidelines outlined on the form. If there is a concern about the child not making academic progress due to these absences or that the privilege is being misused, the school will contact the student and/or parent to discuss these concerns. For some chronically ill children, alternative educational programs may meet their needs more appropriately.
- 5) If the site has unresolved concerns, after talking with the student and/or parent, designated Health Services staff will contact the authorizing Physician with specific questions related to the diagnosis and absenteeism. We will refer to the CIVF if the parent initials require contact with them prior to accessing the Physician.
- 6) Remember, the form expires at the end of the academic year. Obtain a new form annually.

For questions, please contact your school nurse or Attendance Improvement Program/SARB at ***[DISTRICT TO ADD NAME AND PHONE NUMBER HERE]***.

Dear Physician,

Your patient is a student enrolled in [enter school district here]. For your records, please list the chronic illness diagnosed for the student. Also, please check or list symptoms that would not warrant an office visit, but might require the child to stay home from school. This will allow the parent to verify illnesses, by listing in writing to the school the symptoms designated below, without bringing the child to your office for an examination.
