

## Second Notification of Misbehavior

To the Parent(s) or Guardian(s) of \_\_\_\_\_

Our efforts to work with you and your child have been unsuccessful in resolving the ongoing behavior problems. The next step to try and resolve this situation is a referral to the School Attendance Review Board or SARB. SARB meets regularly to discuss problems of student truancy/attendance issues and insubordinate/disorderly behavior as authorized by Education Code § 48263.

You will receive a letter from our district office advising you of the date and time of this meeting. SARB will try to assist both your family and the school to find a solution to this ongoing behavior issue that is impacting your child's education and the classroom learning of other students.

Education Code 48263:

If any minor pupil in any district of a county is an habitual truant, or is irregular in attendance at school, as defined in this article or **is habitually insubordinate or disorderly during attendance at school, pupil may be referred to the School Attendance Review Board (SARB).**
