CONFIDENTIALITY OF STUDENT RECORDS POLICY

Students

The (Shasta SELPA) recognizes the importance of keeping accurate, comprehensive student records as required by law. Procedures for maintaining the confidentiality of student records shall be consistent with state and federal law.

Each local educational agency (LEA) superintendent or designee shall establish regulations governing the identification, description and security of student records, as well as timely access for authorized persons. These regulations shall ensure parental rights to review inspect and copy student records and shall protect the student and the student's family from invasion of privacy.

Each program administrator (custodian of records) is responsible for the security of pupil records maintained by the District and shall devise procedures for assuring that access to such records is limited to authorized person.

- Ensure that records are properly assembled, dated, signed and maintained
- Maintain the "Pupil Access Log"
- Ensure proper release and/or transfer of pupil's records

Storage:

All records must be kept in a safe, secure manner so as to maintain the confidentiality of the information. FERPA requires school districts to use "reasonable methods" to ensure teachers and other school officials access to only those education records in which they have a legitimate educational interest.

Maintenance of records:

- Electronically stored information
- Registers and roll books or daily service providers
- Daily service logs and notes and other documents used to record the provision of related services
- Absence verification records (parent/doctor notes, telephone logs, and related documents)
- Transportation and other related services contracts

Each LEA superintendent or designee shall designate a certificated employee to serve as custodian of records, with responsibility for student records at the LEA level. At each school, the principal or a certificated designee shall act as custodian of records for students enrolled at that school. The custodian of records shall be responsible for implementing SELPA and LEA policy and administrative regulation regarding student records. (5 CCR 431)
