Procedures for placing an item on the SELPA Program Advisory Council agenda, making a presentation, or speaking to some issue on the agenda shall be as follows.

1. Arrangements to plan an item on the agenda and make a presentation concerning said item must be established with the SELPA Director at least eight calendar days in advance of the meeting. The request to address the SELPA Program Advisory Council about the item shall be submitted in writing and shall contain questions, problems, or positions to be presented with the name, address, and phone number of the person who will address the SELPA Program Advisory Council and the group represented, if applicable.
2. At all regular meetings of the Special Education Local Plan Area (SELPA) Program Advisory, the presiding officer shall ask if there are members of the audience who wish to address the SELPA Program Advisory Council on any item listed on the published agenda. They should stand, state their name, what group they represent, if any, and the item number to which they wish to speak. At the appropriate time, the presiding officer will call upon those parties who have been recognized to speak.
3. If it is approved by a majority of the SELPA Program Advisory Council members present at the meeting, testimony may be taken at regularly scheduled meetings on matters not on the agenda provided that no action is taken by the SELPA Program Advisory Council on such matters at the same meeting at which such testimony is taken (EC 35145).

Persons addressing the Commission shall be guided by the following conditions:

1. The person addressing the SELPA Program Advisory Council may be required to show a reasonable basis of interest in the affairs of the SELPA Program Advisory Council, such as legal resident of the county, parent, guardian of children in Special Education programs or a representative of an organization having legitimate concern within the scope of the SELPA, or other bona fide individual interest in the proceedings of the SELPA Program Advisory Council.
2. Remarks or charges by any person addressing the SELPA Program Advisory Council which reflect adversely upon the character or motives of any person are out of order.
3. Five minutes may be allotted to each person addressing the SELPA Program Advisory Council and a maximum of twenty minutes to any subject. The presiding officer of the SELPA Program Advisory Council shall endeavor to allot equal time to persons having opposing views on a subject, at his/her discretion these general time limits may be altered.
4. It shall be in order for the members of the SELPA Program Advisory Council, or the SELPA Program Advisory Council chairperson, to interrupt the speaker at any time to ask questions or to make comments as frequently as necessary to clarify the discussion.
5. During the time when the SELPA Program Advisory Council is holding official meetings, only those persons recognized by the presiding officer of the SELPA Program Advisory Council shall be permitted to participate in the discussion. Any attempt by any person not so recognized to discuss issues of business before the SELPA Program Advisory Council is out of order.
6. Conduct by a participant declared out of order by the presiding officer for violations of the above rules shall be grounds for summary termination by the presiding officer of that person's privilege of addressing the SELPA Program Advisory Council for that scheduled meeting.
