1. Arrangements to plan an item on the agenda and make a presentation concerning said item must be established with the SELPA Governing Board at least eight calendar days in advance of the meeting. The request to address the SELPA Governing Board about the item shall be submitted in writing and shall contain questions, problems, or positions to be presented with the name, address, and phone number of the person who will address the Commission and the group represented, if applicable.
2. At all regular meetings of the SELPA Governing Board, the presiding officer shall ask if there are members of the audience who wish to address the SELPA Governing Board on any item listed on the published agenda. They should stand, state their name, what group they represent, if any, and the item number to which they wish to speak. At the appropriate time, the presiding officer will call upon those parties who have been recognized to speak.
3. If it is approved by a majority of the SELPA Governing Board members present at the meeting, testimony may be taken at regularly scheduled meetings on matters not on the agenda provided that no action is taken by the SELPA Governing Board on such matters at the same meeting at which such testimony is taken (EC 35145).
