b. A student does not have access to textbooks or instructional materials to use at home or after school. This does not require two sets of textbooks or instructional materials for each student.

c. Textbooks or instructional materials are in poor or unusable condition, have missing pages, or are unreadable due to damage.

d. A student was provided photocopied sheets from only a portion of a textbook or instructional materials to address a shortage of textbooks or instructional materials.

(cf. 6161.1 - Selection and Evaluation of Instructional Materials)

2. Complaints regarding teacher vacancy or misassignment, including any complaint alleging that: (Education Code 35186; 5 CCR 4682)

a. A semester begins and a teacher vacancy exists.

b. A teacher who lacks credentials or training to teach English learners is assigned to teach a class with more than 20 percent English learners in the class.

(cf. 4112.22 - Staff Teaching English Learners)

c. A teacher is assigned to teach a class for which the teacher lacks subject matter competency.

Teacher vacancy means a position to which a single designated certificated employee has not

been assigned at the beginning of the year for an entire year or, if the position is for a one-semester course, a position to which a single designated certificated employee has not been assigned at the beginning of the semester for an entire semester. (Education Code 35186; 5 CCR 4600)

Beginning of the year or semester means the first day classes necessary to serve all the students enrolled are established with a single designated certificated employee assigned for the duration of the class, but not later than 20 working days after the first day students attend classes for that semester. (5 CCR 4600)

Misassignment means the placement of a certificated employee in a teaching or services position for which the employee does not hold a legally recognized certificate or credential or the placement of a certificated employee in a teaching or services position that the employee is not otherwise authorized by statute to hold. (Education Code 35186; 5 CCR 4600)

Emergency or urgent threat means structures or systems that are in a condition that poses a threat to the health and safety of students or staff while at school, including, but not limited to, gas leaks; nonfunctioning heating, ventilation, fire sprinklers, or air-conditioning systems; electrical power failure; major sewer line stoppage; major pest or vermin infestation; broken windows or exterior doors or gates that will not lock and that pose a security risk; abatement of hazardous materials previously undiscovered that pose an immediate threat to students or staff; structural damage creating a hazardous or uninhabitable condition; or any other condition deemed appropriate. (Education Code 17592.72)

b. A school restroom has not been cleaned, maintained, or kept open in accordance with Education Code 35292.5.

Clean or maintained school restroom means a school restroom has been cleaned or maintained regularly, is fully operational, or has been stocked at all times with toilet paper, soap, or paper towels or functional hand dryers. (Education Code 35292.5)

Open restroom means the school has kept all restrooms open during school hours when students are not in classes and has kept a sufficient number of restrooms open during school hours when students are in classes. This does not apply when the temporary closing of the restroom is necessary for student safety or to make repairs. (Education Code 35292.5)

In any Shasta County Office of Education school serving any of grades 6-12 in which 40 percent

or more of the students in the school or school attendance area are from low-income families, as defined in 20 USC 6314, a complaint may be filed alleging noncompliance with the requirement of Education Code 35292.6 to stock, at all times, at least half of the restrooms in the school with feminine hygiene products and to not charge students for the use of such products.
