School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

School Facility Conditions and Planned Improvements

The Shasta County Office of Education takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort the Shasta County Office of Education uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the Shasta County Office of Education Facilities Department.

The Juvenile Court School classrooms are located inside the Shasta County Juvenile Rehabilitation Facility which was constructed in 2013. The Shasta County Probation Department is responsible for maintenance of the site. The Shasta County Office of Education Executive Director of Student Services works with Shasta County Probation to assure cleanliness in the classrooms.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	0	N/A	34	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parents do not regularly meet with teachers upon student enrollment, though teaching staff meets daily with Shasta County Probation Office staff to discuss student placement. Information about the Shasta County Office of Education programs and parent rights are distributed to parents on a yearly basis. Additionally, parents may participate on the combined School Site Council or District Advisory Committee; Juvenile Court School staff does participate on the combined School Site Council and District Advisory Committee and are involved in the development of school goals, strategies for improvement, as well as, action steps for the School Plan for Student Achievement. Parents participate in Student Study Team meetings and Individualized Education Program (IEP) meetings. Also, parents have access to a Career Coordinator and a high school counselor for assistance in developing knowledge about career and college readiness. Upon enrollment of a new student, the school Principal sends a letter to the student's parents or guardians explaining how to contact the school staff and administration and offers to provide transcripts or schedule a school conference upon request. JCS holds parent meetings in and outside of the facility. This year, due to Coronavirus restrictions, we will hold an online forum for families.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19

Graduation Rate	78.6	55.6	--	40.6	47.3	3.7	82.7	83	84.5

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0	1.0	2.5
Expulsions	0.0	0.0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Shasta County Juvenile Court School is located within the Shasta County Juvenile Rehabilitation Facility. The Juvenile Probation Department maintains a comprehensive safety plan that outlines emergency protocols, including disaster and evacuation plans. All permanent and substitute staff must participate in an orientation to the building, including a review of contingency and emergency protocols. The school staff and probation staff work together to provide a safe school environment for students, with constant communication between teaching and probation staff. Each class has a maximum enrollment of 17 and is staffed with a teacher and a para-educator. Additionally, there is a Resource Specialist Teacher who serves students on IEP's in the school.

Types of Services Funded (Fiscal Year 2019-2020)

Shasta County Office of Education utilizes Title one D, and LCFF supplemental and concentration funding to provide a variety of support for students. Support included the provision of supplemental reading books and supplies for both CTE and VAPA curricula. Para-educators are provided to reduce the student-to-staff ratio for increased personal relationship development. The staff and administration meet weekly to collaborate regarding instruction and maintaining a positive relationship with Probation. Professional development is continually offered by both in-house staff and outside groups like ACSA.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	7	7	10

Juvenile court and community school staff are offered many professional development opportunities throughout the school year. Staff participated in over 36 hours of weekly collaboration focused upon building relationships with at-risk youth; restorative practices and trauma-informed practices. With the adoption of the Edgenuity online curriculum, time was spent learning this new platform and adapting courses for our specific population. Our weekly meetings this year include elements of the Compassionate Systems training, which includes meditation and self-care. This is valuable for both staff and students. The bi-weekly collaboration is led by the principal.
