##### **5.1.1. School Accountability Report Cards**

Mike Freeman, Associate Superintendent of Instructional Services, shared about the School Accountability Report Cards (SARC). They are designed for the public to compare how the schools are doing. California Department of Education (CDE) provides assessment, expenditure, and teacher data fields. As of this board meeting, they had not provided the updated teacher data. Mr. Freeman was advised to move forward and approve what we have in order to make the February 1 deadline for online posting.

Board Member Brown and Board Member Manuel shared that they were reluctant to approve the incomplete SARCs.

The Board agreed to approve only the content that was provided. Once the SARCs were complete they could be fully approved and posted. This item will be reviewed on the February agenda.

**ACTION:** Board Member Manuel moved to approve the information that they currently have and will wait to approve and post the complete School Accountability Report Cards until all of the information is received from the California Department of Education.
